QUALIFYING

Bowl four games across eight lanes. No-tap scoring, nine pins down on first ball counts as strike.

SEMI-FINALS / FINALS

If 20 or fewer entries are received in any one division, the top four bowlers from that division will be seeded in a single game step ladder format to determine winner. If 21 or more entries are received in any one division, the top one out of five bowlers in that division will return to bowl a two game semi-final round. Scores from qualifying will carry over to semi-final round. The top five bowlers from semi-final round will be seeded into a single game step ladder format to determine winner. One in five bowlers in each division will receive Scholarship money.

AVERAGES TO BE USED FOR DIVISIONS

Averages will be verified before any Scholarship money is awarded.

Bowlers will use the highest of these averages for division classification.

1. The highest current 2009 / 2010 UCBC Youth League average of 21 or more games.
2. The highest High School average.
3. The average used for SSJBA classification.
4. If a bowler has none of the above averages they must bowl in the 180 and over division.
5. In case of ties—We will have a sudden death roll-off. Each bowler will roll one ball, with the most pins knocked down winning.
