League Sign-Up & Free Bowling Party

10AM - 1PM

Marcia Foster, Director
(615) 832-4836 or (615) 417-4453

Marcia is a “*detail*” person, so here are some she thinks you’d want to know:

- Tusculum Lanes has a history of a great youth bowling program and we normally have at least 70 kids in the program each year.
- Marcia is a co-owner of Tusculum Lanes and takes her job as director of this league very seriously. You can consider your child’s time with us on Saturday mornings as a safe and fun way to meet new friends and socialize with friends your child already knows. We welcome parents to stay with their kids during our Saturday morning league. But it’s OK to use this time to run your errands and not worry about the safety of your child.
- Our Saturday morning coaching staff is a group of dedicated bowlers who are certified instructors as well as being great people. They love the sport of bowling and want to help kids love the sport as well. Our coaches strive to help kids become better bowlers, but they will not push unwanted instruction upon your child.

CERTIFICATION FEE / \$17.00

This is an annual fee to become a member of the USBC (United States Bowling Congress). Part of the certification fee entitles your child to a bowling-themed athletic jersey. League members can earn merit patches throughout the season that are part of this fee. Being a member of USBC also entitles your child to enter various tournaments held throughout the bowling season where trophies, plaques, and scholarships are awarded.

WEEKLY COST / \$9.00

This fee includes 3 games bowling and the trophy money needed to purchase prizes for the end-of-year party. When a child is absent, the cost is \$2.00 (absentee fee) rather than the full \$9.00.

DETAILS OF LEAGUE

Our Saturday morning league is made up of 4-person teams. Teams can be all boys, all girls, or mixed. Some kids choose to form their own teams. If your child does not know kids within our league, we will place your child on a team. We would introduce your child to teammates on 1st day of league.

SCHEDULE

We bowl 25 weeks beginning 9/11. We will not bowl on 11/6 due to a conflict with an adult tournament. There is no league on Thanksgiving weekend. We also take off 2 weeks during Christmas .

Full schedule will be provided so you can "post it on your fridge"

HANDICAP FORMAT

Teams compete each week bowling 3 games on a handicap basis so that all kids have an equal chance to win. Kids with lesser ability receive more handicap than kids with greater ability.

SCHOLARSHIP TOURNAMENT

We have awarded almost \$3,000.00 in scholarships in the past two years to members of our youth bowling league. We have a special tournament toward the end of the league season where only our Saturday morning league bowlers are eligible. Entry fee is minimal and the kids have a chance to win scholarship money that will be held for them until they are ready to further their education after high school. We respect that college is not for all kids, so we are quite lenient in how the winners use their scholarship funds.

YOUR CHILD TOO BUSY?

WE HAVE THE ANSWER!

PREBOWLING.....USED BY MANY!

Our league consists of kids with many talents (golf, baseball, soccer, Quiz Bowl, singers.....the list goes on! They still get to participate as we offer the chance for our members to:

PREBOWL..... Here’s how it works!

If league members know ahead of time they have another commitment on a particular Saturday morning, they make arrangements to prebowl. Prebowl is bowling before the league on Saturday but having their scores count exactly as though they had bowled them during league. Arrangements have to be made with the bowling center to assure lanes are available and we do have limitations to prebowl on weekend evenings, but for the most part, these are the times available for prebowl:

Monday-Friday (must be finished by 5:30PM)

Saturday (immediately following league)

A special hand-out will be distributed on sign-up day that will list all available times for prebowl.

WE DON'T WANT "TOO BUSY" TO KEEP YOUR CHILD FROM HAVING FUN IN OUR LEAGUE!
